

A hand-drawn mobile app screen with a rounded rectangle border and a small circle at the bottom left. At the top center is a diamond-shaped button with the word "log" inside. Below it are two rectangular buttons: "login" on the left and "Signup" on the right. A curved arrow points from the "log" button down towards the "Signup" button.

A hand-drawn mobile app screen with a rounded rectangle border and a small circle at the bottom left. At the top center is the text "Sign up: Who are you?". Below this text are two circular icons. The left icon shows a person sitting at a desk with the word "Client" written below it. The right icon shows a person standing with the word "Worker" written below it. A curved arrow points from the "log" button in the previous screen to the "Client" icon.

A hand-drawn mobile app screen with a rounded rectangle border and a small circle at the bottom left. At the top center is a circle with the word "worker" written below it. Below this are four input fields: "Username", "Email", "Password", and "Confirm Password". A curved arrow points from the "Worker" icon in the previous screen to the "worker" circle.

A hand-drawn mobile app screen with a rounded rectangle border and a small circle at the bottom left. At the top center is a circle with the word "worker" written below it. Below this are four input fields: "Name", "Last name", "Category", and "Service". A curved arrow points from the "worker" circle in the previous screen to this "worker" circle.

A hand-drawn mobile app screen with a rounded rectangle border and a small circle at the bottom left. At the top center is the text "log in" with a horizontal line underneath. Below this are two input fields: "Username" and "Password". To the right of the "Password" field is a link that says "forget your pass?". A curved arrow points from the "Client" icon in the second screen to the "log in" text.

A hand-drawn mobile app screen with a rounded rectangle border and a small circle at the bottom left. At the top center is a circle with the word "client" written below it. Below this are four input fields: "Username", "Email", "Password", and "Confirm Password". A curved arrow points from the "Client" icon in the second screen to this "client" circle.

A hand-drawn mobile app screen with a rounded rectangle border and a small circle at the bottom left. The screen is empty except for the border and the circle.
